

**FSU Department of Computer Science
Hall Family Endowed Scholarship Program
Application**

Through the generous funding of the LNC Family Foundation and Lawrence and Cecelia Hall, the Department of Computer Science will offer one scholarship to an academically talented student with financial need, to provide much needed support to undergraduate students whose scholarly activity is focused in the Department of Computer Science. The scholarship will award the student \$1,000 for one semester.

To be eligible to apply, you must (1) be an undergraduate for 2017/2018, with a major in Computer Science, (2) have a minimum 3.3 GPA, and (3) have financial need as determined by the Free Application for Federal Student Aid (FAFSA).

To apply for the Hall Family scholarship, please (1) complete and submit the FAFSA application to the FSU Financial Aid Office if you have not done so, and (2) complete, sign, date, and submit this application form via email to KPack@cs.fsu.edu or to the following address:

Kimberly Pack
Academic Program Specialist
203C Love Building
Department of Computer Science
Florida State University
Tallahassee, FL 32306-4530
(850) 644-8700

The deadline to complete the application is February 14. For questions and assistance on completing FAFSA or the scholarship application, please contact Kimberly Pack at kpac@cs.fsu.edu, (850) 644-8700.

1. What is your current FSU GPA? _____
2. What is your current Cumulative GPA? _____
3. Please briefly describe your financial needs.

4. Please briefly describe the personal qualities and learning skills that have prepared you to overcome challenges in college.

With the following signature, I grant permission for the scholarship committee in the Department of Computer Science at FSU to access my FAFSA financial-need information and college transcript.

Name: _____

Home address: _____
