State of Residence _____

ACADEMIC INFORMATION

Major & Degree (BS, BA, etc.) Sought: _____

COP4530 Completed?: _____

Expected Graduation Date: _____

The Carl and Ermine Owenby Scholarship in Computer Science is awarded to undergraduate & graduate majors in the FSU Computer Science Department primarily on the basis of financial need. Applicants must attach to this information sheet an unofficial transcript, resumé, and a one-page statement describing financial need, academic interests, and educational and professional goals. Awards in the amount of \$2000 are announced during the CS Honors Day in late April and issued to recipients the following fall semester.

Each applicant must be a declared major in the Computer Science Department, a U.S. Citizen & Resident of Florida, and have completed COP4530 Data Structures with a C- or better.

Please note that recipients may have their current financial aid packages adjusted to accommodate the scholarship.

***RETURN this form, along with the necessary attachments, to Kimberly Pack (203C Love Bldg) by Feb. 14, 2018.**
