to: The University Curriculum Committee, Mail Code 1480

Section I. Course Identification, Action, and Justification**A. Type of Request:** Change Existing

Indicate year and semester you want this effective: Year: 2006 Semester: Fall

B. Complete this section if *adding or changing* a course.

Proposed Listing: Prefix: COP Number: 3330 (**Note:** The leftmost digit must be a number; the remaining digits may be represented by X's)

Full Title: Object Oriented Programming

Semester Hours: Min: 3 Max: 3 Transcript Title (20 characters max):

C. Complete this section if *changing or deleting* an existing course.

Present Listing: Prefix: COP Number: 3330

Full Title: Object Oriented Programming

Semester Hours: Min: 3 Max: 3

D. Justification for addition or change (not required if deleting a course):

This is primarily a change in prerequisites. We will now require that students take our new COP 3014 course prior to taking COP 3330 (we used to require CGS 3408). Since we are no longer requiring COP 3502 for our majors, the necessary background in UNIX is being provided by the new one-hour Introduction to UNIX course (COP 3344).

E. Faculty Contact Information:

Name: Bob Myers Phone: 644-0972 Email: myers@cs.fsu.edu

F. Is this course to be considered for satisfaction of University undergraduate degree requirements?

Call 4-2451 for processing information. No

Considered for Multicultural designation? If "Yes" indicate whether an "X" or "Y" course. No

Is this course to be considered for satisfying Oral/Computer Competency? If yes, indicate which one. No

Section II. Course Information for Catalog and Scheduling Purposes

Grade Type (choose one): 1 - Letter Grade

Modes of Instruction: Primary: C - Class Lecture Secondary: L - Laboratory

Repeat Information: Code: 00 Repeat only when topics vary? No Repeat only with instructor permission? No

Total semester hours may be taken for credit: 3

Taught by Department: Primary: 1166 Secondary (list all):

Major codes (list all applicable):

Prerequisites: COP 3014

Corequisites: COP 3344 (co/prerequisite)

Are your department's course descriptions divided into subheadings in the *Bulletin*? If yes, state under which subheading this course is to be placed:

Course Catalog Description (This must be on all new or changed course requests.):

Object-oriented programming in a modern programming language; classes, objects, inheritance, and polymorphism; introduction to data structures and container classes.
